

QUALITY TIMBER CUES

Diamond Cue Stock Replenishment

Diamond cues are a range of quality Ash and Maple timber cues to withstand a powerful break.

These quality timber cues are constructed with a variety of high grade selection of Ash and Maple timbers, combined with quality billiard components to create a range of traditional billiard cues.

The Diamond cues are fast becoming well renowned for their high performance and affordability.

Choose from a variety of styles in 57", 9.5mm tip, 1 or 2 piece join styles in 16oz, 17oz & 18oz specifications.

The complete range of Diamond cue stocks have been replenished and are available to order at PALKO.
